Call for Papers

The 6th East Asia Workshop on Industrial Engineering

EAWIE 2019

November 22 – November 23, 2019
Taipei Tech, Taipei, Taiwan

The East Asia Workshop in Industrial Engineering (EAWIE) has been a venue to network with each other and share recent research among researchers, practitioners and students in east Asian countries. It emphasizes the use of Industrial Engineering approaches and techniques in various engineering fields. The 6th EAWIE will be held along with Chinese Institute of Industrial Engineers (CIIE)’s Annual Conference.

Conference Co-chairs
Chin-Yin Huang, Tunghai University, Taiwan
Ching-Jung Ting, Yuan Ze University, Taiwan

Paper Submission Guidelines
Abstract/Extended abstract in English can be submitted to ietingcj@saturn.yzu.edu.tw

International Advisory Board
Ming-Chih Chen, Fu Jen Catholic University, Taiwan
Chen-Fu Chien, National Tsing Hua University, Taiwan
Chin-Yin Huang, Tunghai University, Taiwan
Yasutaka Kainuma, Tokyo Metropolitan University, Japan
Kap Hwan Kim, Pusan National University, Korea
Chulung Lee, Korea University, Korea
Dong-Ho Lee, Hanyang University, Korea
Tae-Eog Lee, Korea Advanced Institute of Science and Technology, Korea
Dug Hee Moon, Changwon National University, Korea
Ilkyeong Moon, Seoul National University, Korea
Kazuyoshi Ishii, Kanazawa Institute of Technology, Japan
Ching-Jung Ting, Yuan Ze University, Taiwan
Neng-Shu Yang, National Yunlin University of Science and Technology, Taiwan
Won Young Yun, Pusan National University, Korea

Important Dates
July 15, 2019 Abstract Submission Open (max 2 pages)
Oct. 25, 2019 Notification of Acceptance
Nov. 16, 2019 Registration Deadline (Pay on site)

Organized by
Chinese Institute of Industrial Engineers; CIIE

Supported by
Korean Institute of Industrial Engineers; KIIE
Japan Industrial Management Association (JIMA)
